SUMMARY

MCA student with a strong foundation in Java, Python, SQL, JavaScript and MERN stack, including REST APIs and AI integration in web applications. Skilled in building and deploying full-stack solutions with authentication systems, with growing exposure to cloud deployment. Sharpening data structures and algorithms skills on LeetCode. Interested in contributing to meaningful development work in fast-paced teams.

SKILLS

Languages: Java, JavaScript, TypeScript, Python, SQL
Backend: Node.js, Express.js, REST APIs, JWT Authentication, Middlewares Design
Frontend: React.js, Context API, React Router DOM, Tailwind CSS
Databases: MongoDB, PostgreSQL
Tools/Cloud: Git, GitHub Actions, Azure, AWS, Postman, Docker

EXPERIENCE

Marketing Hub (Internship) March 2024 – August 2024 Remote
Web Developer Intern

- Developed responsive websites as part of a collaborative team, following consistent coding and design practices
- Performed manual testing across 10+ web applications to identify and report bugs, ensuring functional reliability before deployment
- Hosted and managed client web applications on platforms such as Hostinger, handling domain setup and deployment
- Contributed to both development and hosting of client projects, strengthening end-to-end web development skills

PROJECTS

TalentScan AI [Live Demo] | React, TypeScript, Express.js, MongoDB, Gemini API June 2026 – July 2026

- Built an AI-powered resume analysis platform that scores resume-job matches and generates recruiter-focused feedback
- Integrated Google Gemini API to generate structured interview reports covering technical/behavioral questions, skill gaps, and a personalized preparation plan
- Designed a full-stack architecture with a TypeScript/Express backend (controllers, services, middleware) and a React with Context API frontend
- Implemented authentication and persisted generated reports in MongoDB; deployed a live demo on Render

CERTIFICATION

LaunchED Global (Skill India) Web Development Certificate: Completed a two-month mentorship program covering both frontend and backend technologies, including React.js, Express.js, MongoDB, secure authentication (JWT) and CI/CD deployment via GitHub Actions on platforms like Render and Vercel

EDUCATION

Master of Computer Applications (MCA) 2025 – Present
PES University, Bengaluru CGPA: 7.29 / 10
Bachelor of Computer Applications (BCA) 2021 – 2024
Eastern Institute for Integrated Learning in Management, Kolkata CGPA: 7.87 / 10
